Dear Dennis,

I would like to express  
my appreciation to you and your  
staff for the prompt and courteous  
service provided to me this week.

Also, I would like to let  
you know that Anthony did a  
quick and efficient job with the  
installation of the fence and  
mail box stanch. He was  
personable and very accommodating.

It will be my pleasure to  
recommend your company  
to anyone in need of your  
services.

Regards  
Helen Strain
